# Wilson Phiri

Tel: +260 976848768 | Email: phiriwilson977@gmail.com
Lusaka, Gold street 15098
Nationality: Zambian | Marital Status: single | Religion: Islam
| Birthday: 16/03/03 | Website: X10D Tech

## Objective

I am an innovative and forward-thinking Computer Scientist , equipped with a strong foundation in software development, leadership, and analytical problem-solving. I am passionate about tackling complex challenges and delivering impactful, scalable solutions.
Fueled by curiosity and a relentless drive for excellence, I continuously explore and adapt to emerging technologies and evolving digital landscapes. My goal is to leverage my technical expertise, creativity, and visionary mindset to contribute to groundbreaking projects and transformative innovations that shape the future of technology.

## Work Experience
